

FIREFIGHTER PHIL

CHILD SAFETY PROGRAM

This is the “It’s My Responsibility” Poster. Kids can draw a picture of an important safety tip they learned during Firefighter Phil’s live show. Some teachers and parents like to hang these in their classrooms or on their refrigerators before sending them along to us. That way the students can see all the different safety tips they learned. Once you take them down, please send them to us as we try to put a few in the activity books and on the web for the following year.

To request the Values in Action cards and additional materials, please send us an email, we will reply and attach the cards an E.D.I.T.H Certificate and a Lucky the Duck Escape plan.

If you have any questions, please email us or call us at 1-888-825-7445 x 201.

I hope that you find these activities fun and helpful! Please let us know what you think about the show and the additional activities.

Keep safe,
